YOU CONNECT THE WORLD TO WHAT IT
BELIEVES HAS BEEN LOST FOREVER.
JOY, SMILES, LAUGHTER AND MOST IM-
PORTANTLY STYLE. YOU ARE THE LAST
BASTION OF BEAUTY, IN A WORLD INFLU-
ENCED BY TEMPORARY FADS.

The Lady of the Lake

Beyond the hills, there's a town. A town that is peaceful, quiet and tranquil. Many have been to this place and a discovery like they've never experienced.

In the sea of the mundane, you stand alone - a paragon of life in an otherwise everyday world.

The Solar Deity

How bright the sun, and the world is blundered. Big love big sorrow, big death big a hope against hope to still your little ones.

BEAUTY AT THE HEEL

I Love

This is Heaven, and you sit upon the throne, here, the ruler of all the worlds.
