Dreaming Again

"Fashion is a way of thinking up, where a designer will take ideas and put them
together. This is what we call the 'dreaming' part of a designer's job. It's about
the art and the thinking that goes into it."

THE MAGAZINE LOOK

*Fashion is a language and we are a part of it. We are not just wearing clothes, we are wearing a lifestyle. We are not just wearing clothes, we are wearing a lifestyle. We are not just wearing clothes, we are wearing a lifestyle.

dibuat dengan menggunakan bahan-bahan alam."

THE

"It's essential that you give yourself fully and openly after this time...
...and you will find the energy you need."

the *FABULOUE* look

"Fabulous is a quality in one's own character, not a quality of the clothes."

—Audrey Hepburn, *Breakfast at Tiffany's*

"After you have a look at your wardrobe for the week, separately look at what has
no value and get rid of it. It's time to make space."
