thing

Dreaming Again

"Fashion is a way of thinking up, where a designer will find ideas and tell the
clothes. The designer has the responsibility of a musician to create
the right idea and the clothing is the result."

SIMPLE
pleasures

"Karya ini menunjukkan proses kreatif di balik karya seni.
dan bagaimana seni dapat menjadi bagian dari kehidupan."

THE
WOMAN
within

"It's essential that you give yourself fully and openly after this time...
...and you will find the energy you need."

the FABULOUS look

"Fashion is a language to give your character a voice, and you must be heard in the crowd."

(American Designer, Louis Jean Mabeille, 1920s)
