The beauty of a woman is not in her clothes but in the way she carries them. The beauty of a woman is not in her eyes but in the way she looks. The beauty of a woman is not in her hair but in the way she styles it. The beauty of a woman is not in her face but in the way she smiles. The beauty of a woman is not in her body but in the way she moves. The beauty of a woman is not in her voice but in the way she speaks. The beauty of a woman is not in her hands but in the way she holds them. The beauty of a woman is not in her feet but in the way she walks. The beauty of a woman is not in her skin but in the way she cares for it. The beauty of a woman is not in her hair but in the way she styles it. The beauty of a woman is not in her face but in the way she smiles. The beauty of a woman is not in her body but in the way she moves. The beauty of a woman is not in her voice but in the way she speaks. The beauty of a woman is not in her hands but in the way she holds them. The beauty of a woman is not in her feet but in the way she walks. The beauty of a woman is not in her skin but in the way she cares for it.
