"Fashion is about dressing according to what's fashionable. Style is more about being yourself."

A woman with dark hair styled in a bun, wearing large hoop earrings and a green and black patterned dress with a tiered skirt, poses outdoors with one hand on her hip and the other shielding her eyes from the sun. The background shows a wooden trellis and green foliage.

*Ladies Flavours*  
Beauty Trends

"The zenith of elegance in any woman's wardrobe is the little black dress, the power of which suggests dash and refinement."
