It's your time to *Bloom*

Don't be into trends.  
Don't make fashion own you, but you decide what you are,  
what you want to express by the way you dress and the way you live.

Glamour is an *Attitude*

It's the expression of  
a certain kind of confidence. A glamorous woman is always elegant, but  
she also possesses an air of mystery and excitement. She's dramatic—almost unattainable.

An unforgettable fashion *Tour*

For this season, our biggest inspiration is life.  
We feel that in any creative profession, what you experience in your own life  
eventually comes out in your creativity. We try and get the happiness into clothes.

An arrogant insolent & *Haughty*

The colour is always the most integral element  
of the outfit. The colour play we have chosen for this season transcends  
the theory of power of tones. Each tone has its own story and glory.
