FESTIVE READY

The festive season is in full swing and one can spot the festive look and color of the city by the festive wear, which is in its highest peak. But amongst the plethora of festive clothes, choosing to wear one with the traditional look is a real challenge. AMAYA'S SHADHANA is a festive trend that aims at bringing to you unique festive options with graceful work details.

Festive clothes are designed to be elegant, comfortable and easy to wear. Being light and comfortable at the same time is now achieved by working women lines. SHADHANA's latest AMAYA collection is all about these style and comfort.
