Best
beauty

Being the best is
not a goal, it's a journey.
It's the way you live,
the way you love,
the way you are.
It's the way you are
when no one is watching.

Readiness to act is not an excuse
to wait. If you wait a
minute and then act,
you will lose the opportunity. The
best time to act is now. It is
not the future that counts.
