"Fashion is very important. It is
life-enhancing and, like everything
that gives pleasure, it is worth doing
well."

Beauty

Looks Like

"I think there is beauty in everything and
what 'normal' people perceive as ugly, I
can usually see something of beauty in
it."

it's time for change

"Don't be into trends. Don't make fashion own you, but you decide what you are, what you want to express by the way you dress and the way to live."

"Fashion is about dressing according to
what's fashionable. Style is more about
being yourself."

Every collection is Unique

"What you wear is how you present
yourself to the world, especially today,
when human contacts are so quick,
Fashion is instant language."
