Celebrating the innocence, mischief and passion of a bride.
Celebrating the beauty and intricacy of a woman. Celebrating the joy and surrender of love.

She is the source of strength.

The woman is wearing a purple and gold outfit.
A matching dupatta is draped over her shoulders.

A photograph of a woman with dark hair pulled back, wearing a purple lehenga with intricate gold embroidery and matching dupatta. She is looking down at her hands, which are adorned with large, ornate gold bangles and rings. She is standing next to a white, ornate piece of furniture, possibly a sofa or bed. The background is softly lit and out of focus.

She is a woman with modern choices yet firmly rooted in her roots, her culture, and her tradition.

The modern Indian bride is looking for unconventional, bold and designs that are feminine, eclectic and contemporary while still being deep rooted in tradition. She doesn't follow trends. Instead, she sets them.
