Style sutra

*For people who have no quest there is
always an underlying message. It's usually
only the enlightened ones who understand what's
going on in what I do.*

Evolution of style
The shawl is a traditional garment in the region of the Himalayas. It is a long, rectangular piece of fabric, often made of wool, which is draped over the shoulders and fastened at the waist. The shawl is a symbol of warmth and protection, and it is a popular item of clothing in the region.
