STYLING

"The girls have style. It helps you get along the class. It helps you get up to the world.
It's a way of life. Without it, you're missing the most important part of your life."

"Style is the only thing you can't buy. It's not in a shopping bag, a label, or a price tag. It's something different from the rest of the outside world—no matter."

"Fashion is what you're offered that takes a year by designers. And style is what you choose."
