"What's my style is not your  
style, and I don't see how you can

"Being well dressed hasn't much to do with having good clothes. It's a question of good balance and good common sense." 

"I think our bodies are beautiful, and I think celebrating them and being comfortable in them—no matter what age you are—is important. There shouldn't be any kind of shame or discomfort around it."
