Women think of all colors
except the absence of color
I have said that black has it all
white too their beauty is absolute
It is the perfect harmony.

“Women love of all colors
except the absence of color”
I have a love for color, and
white too their beauty is absolute
in a way that is beyond words.”

Fashion is more about sensuality than a women's look, on the inside & on the outside and such sets represented are the best for the women and such sets represented women are not more comfortable with themselves and they are more stronger than the needs to hide behind their clothes.
