"What you wear is how you present yourself to the world, especially today, when human contacts are so quick. Fashion is instant language."

A woman with long dark hair, wearing a traditional red dress with intricate floral embroidery in green and pink, stands in an ornate building with stone arches. She is wearing a necklace, large dangling earrings, and several bracelets on her wrists. She is looking slightly to the side with a gentle smile. The background is blurred, showing the architectural details of the building.
