BE VERSATILE

Don't open a line that closed a million possibilities.
It was all it took to be dressed by the Gods.

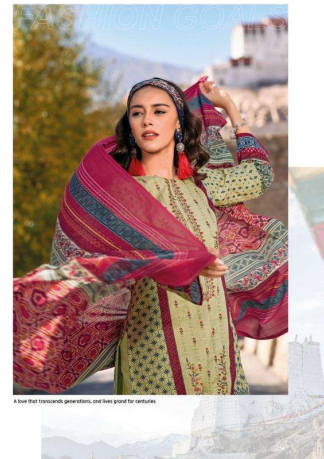

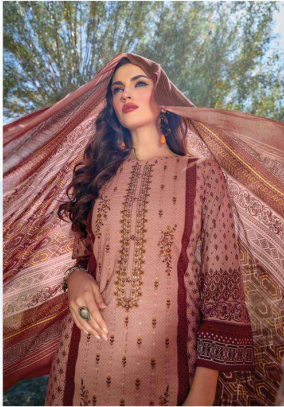

And then she found the answer in the end and learned to stand alone

REFLECTING YOU

A line that transcends generations, and lives good for centuries

REFLECTING YOU

And then she found the answer in the end moment! To all the love

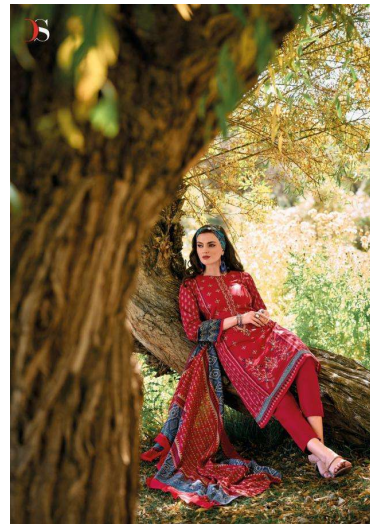

SAZHAR : 2008

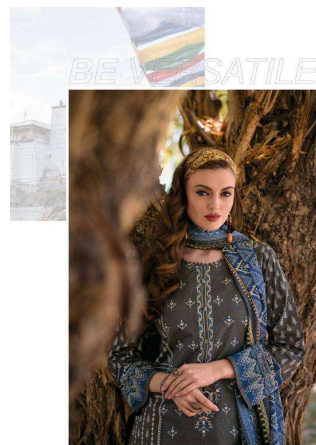

Once upon a time, I was a girl, a girl in a dress,
It was as if I had been blessed by the Gods

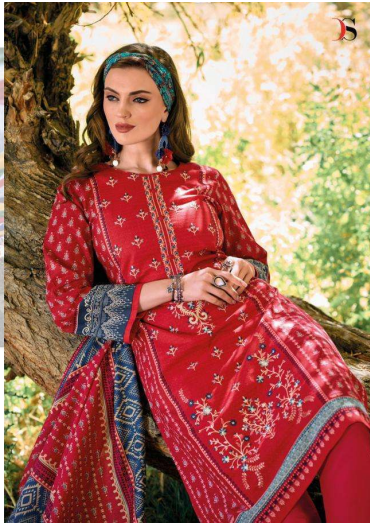

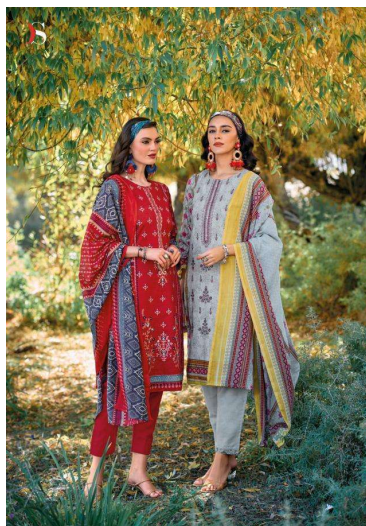

Once upon a time I was a queen in a palace,
It was in 7 years I was taken by the gods.

SANMAR 2004

BE VERSATILE

Once upon a time the world was a mystery to me.
It was as if I'd been blessed by the gods.
