The glowing damsels

They hail from a world where all is beauty. They belong to an age which was truly golden. Whatever the world had lost is contained in their bosoms and in their smile, which shines with the purest gold.

A photograph of a woman with long dark hair, wearing a green dress with gold embroidery and a matching dupatta, standing in front of a building with intricate carvings. She is looking directly at the camera with a slight smile. The background shows a garden area with plants and a building with yellow and white architectural details.

when purity meets attraction
Traditional Touch

You're beautiful because to be yourself. You don't need to be accepted by others, you need to accept yourself.

Beauty is how you look inside, & a reflection of your eyes. It's not something physical.
