Yasmin

1054

She's regal. She's majestic. When she walks, she walks with the pride of an Empress. But she's in with the lines, at par with the latest style statements. She's the New Age Princess, and she's here to rule the world of today!

FASHION

The golden thread of tradition, the silver thread of modernity, the vibrant colors of the rainbow and the delicate lace of the world. Looking deeply at the world, the world will be a better place to live. The world is a better place to live.
