A fashion by Abhikala. Life is too short to be the same person every day.

 bhkala

Fashion is part of the daily life and it changes all the time, with all the trends. You can wear the same dress for many years. The important is to wear it with style. You can wear and feel comfortable in it.

bhkala

"Fashion is what you're offered that times in your by darkness.
And style is when you choose."
