

FASHIONISTA

Taliban is the only collection for  
you by designers. And only a  
few you know.

// 541-007

"Fashion is a religion in our time. Their eyes are like our hands, they understand the meaning and sense of fashion. I want to produce things like people really love to buy."

Zulfat®

THE  
WOMAN  
within

"What you wear is how you present yourself to the world, especially today when  
communication is so much more direct. It defines your image."

STYLE RETHINK  
THE LADY LIKE

"Style is a right to wear. One who wears it, it has no need of the artist."  
- Coco Chanel
